Dear Valued Customers:

Climet Instruments, a global leader in cleanroom particle counters and microbial air samplers, today appointed **CRT Cleanroom-Technology AG** as our new distributor in Switzerland.

CRT Cleanroom-Technology GmbH is presently our distributor in Germany and Austria, and has a sister corporation headquartered in Lachen, Switzerland. **CRT Cleanroom-Technology AG** has a staff of three fully trained and qualified Climet technicians with expert qualifications to provide onsite calibrations, warranty, and repair service. **CRT** has been performing Climet service for a few Swiss pharmaceutical facilities since May 2016, and a decision was made to expand their territory to conduct service for all of Switzerland. For repairs please call **CRT Cleanroom-Technology AG** directly for an RMA number (see below).

The CEO of **CRT Cleanroom-Technology AG**, Mr. Marco Cau, is a Swiss native with over 20 years' experience in the Life Science industry, and speaks fluent German, French, Italian, and English. Dr. Roman Maag, also a Swiss native, is the Sales Manager, and speaks fluent German, French, and English.

CRT Cleanroom-Technology AG core business is cleanroom validations and qualifications in Switzerland with an emphasis in the Life Science and engineering sectors. CRT has done an excellent job for Climet in Germany and Austria, and we are confident our Swiss customers will experience improved sales and service capabilities.

Sincerely,

Jim Strachan
